

CREATIVE BLOCK TIME SERVICE

Flexibility to produce multiple artwork required projects on real time at discount pricing.

When requiring any creative service, research, production and revision time are all taken into consideration and averaged out into a one-time price for the consumer (e.g. Tri-Fold Brochure = \$495).

Each project has its own requirements as *Aholattafun* created a series of Block Time Service packages designed to give the client the flexibility to produce multiple artwork required projects on real time at discount pricing.

For a completely out-sourced solution, choose from one of our service packages below and contact an *Aholattafun* Business Manager or register online at aholattafun.ca.

The following companies have taken advantage of this service.
